Are you linkedin?

Yes it is spelled correctly.

LinkedIn is the fastest growing professional networking site on the internet. Home cleaning service owners and professionals can join in on discussions on the new Home Cleaner Magazine group. This is a FREE service for the professional home cleaning industry brought to you by Home Cleaner Magazine.

You can join in on discussions already started and featured topics each week, or start your own. Have a burning question? List it to see if others have the answer. You can even sign up for updates so that you are notified via email when there is activity in an area of interest to you.

If you have not already signed up for your free profile , you will want to do that now. Be sure to completely fill out your profile so you can maximize your presence there.
